

Clothes dryer reviews

We test 22 clothes dryers in the CHOICE labs, including models from Bosch, Electrolux, Fisher & Paykel, Simpson and more.

Last updated: 18th December 2015

With so many types and features on offer, shopping for clothes dryers can be pretty intimidating. Although their job is pretty simple, a smart buy will save money and time in the long run – so it pays to do your homework. Luckily we've already done it for you! We test 22 models, priced from \$349 to \$2999, to tell you:

- **what to buy**
- **which dry clothes fastest**
- **which use the least energy**
- **which cost the least to run**
- **which are quietest**
- **have the best member-rated reliability scores.**

Need to know the **right type** for you and **what to look for** before you start shopping around? See our **clothes dryer buying guide** for our expert advice and tips. Want to know how we test? Click **here**.
